We hope everyone had a great winter and are looking forward to shooting again. The club has replaced 2 of our traps and the other 5 are inspected and ready to throw targets. In addition, we have expanded the concrete pad in front of the clubhouse to allow for easier traffic flow.

The club is in desperate need of trap help. If you know of anyone who is interested please encourage them to contact us. The club cannot function without additional help this year. The club is also looking for help with grass moving and other minor grounds keeping activities. Please let us know if you can help out.

Derby Shoots have been held throughout the winter with 2 shoots being cancelled due to the weather. The last shoot will be March 13th.

The 2016 component buy price sheet and order form are included in this issue. Please have your orders submitted by Tuesday, March 22nd. The order pick up will be Saturday April 9th from 10 – 4 and Sunday April 10th from noon - 4. Most items are available; however powder remains in short supply. It may be getting more plentiful later in the year. The manufacturers have been shipping lots of 1Lb/14oz bottles. If you are completely out of powder, you may want to hedge your bets and order a bottle or two as a fall back in case the 4/8 Lb. containers are not available. Keep in mind that it is not cost efficient to order this way. An alternative would be to order a case or two of economy shells. **If some component are only partially received, first come first serve will apply.**

Spring league begins on Tuesday March 29th. The league will run for 6 weeks on the same basis and rules as Fall League with a Singles/Handicap competition. Registration for the league is \$5 per shooter.

Summer League will start on Tuesday, May 24th. The Captains Meeting will be on Tuesday, May 10th at 6:30. Please have your captain attend the meeting for an update on rules and to register your team. The registration fee per team is \$45.

A reminder that the club will be closed for Easter on Sunday March 27th.

While we are not scheduling formal trap classes this year, if you would like shooting help or advice please inquire at the desk. There are usually coaches available who will gladly assist!

Our first ATA is coming up soon! Sunday March 20th is a regular ATA shoot – come and start off the year with us.

The high school shoots are very busy for the club and assistance is needed. If you can help for all or just part of the days (7:30 AM to 5PM) with loading traps or organizing activities during these shoots please contact the club. Shoots are Saturday April 16th, April 30th & May 14th.

If you have not already picked one up, the 2016 calendar is available in the club and on line at our website. There have been a few changes to league start up dates so please feel free to get your copy or check us out on line.

We are proud to announce that we again are hosting the Paralyzed Veterans Shoot on June 18th & 19th. This event is open to all! It is an amazing opportunity to compete with veterans who shoot from wheelchairs. There will be registration forms at the club close to the event date.

We look forward to shooting with you at the club this Spring!
