We are looking forward to a busy summer and hope we will see all our members out at the club this year.

We have made some great improvements to our grounds which includes replacing all of the concrete on our traps making them all handicapped accessible and completed some tiling work to help with drainage issues.

Our calendar is included on the website, along with the list of shoots and results. Please "like" our Facebook page to be notified of current events and announcements.

The club will be closed the following dates during Iowa State Trap Shoot-July 16-18-21

Summer League starts on Tues, May 21. IT IS NOT TOO LATE TO SIGN UP!! - JOIN THE FUN FOR SOME "FRIENDLY" COMPETITION. Last year we had over 20 teams participating and we would like to grow our numbers. Sponsorship fee remains @\$45.00 which goes 100% to pay for league trophies. If you would like to participate in the league but don't have a team please let us know and we will get you on a team.

We are hosting the Paralyzed Veteran's Shoot on Saturday, June 15th & Sunday June 16th. Registration and practice is on Friday, June 14th. This shoot is open to all shooters, able-bodied and disabled. This is our 6th year hosting this event and is an amazing experience. Everyone is welcome and we encourage you to join in to shoot. The flyer will be posted on our website for details.

The component buy was successful again this year – if you did not receive the information please make sure you stop by the club and update your contact information.

We are looking for additional trap help for the summer. We need more help to keep the club running smoothly and we are approaching our busy season with leagues and shoots. Please pass the word out to help recruit additional helpers.

The Harlan Campbell Shooting Clinic filled up, however we have another clinic scheduled for July.

The Nora Ross Shooting Clinic will be held July 8th & 9th or July 10th & 11th. The cost is \$350 for two days of instruction. Contact Steve Manary for further information.

Just a reminder – all newsletters and information will only be sent by e-mail in order to save costs and pass that on to our members. Please contact us with your current e-mail address to update our records. We are also trying to bring our membership list up to date with historical information on the year members joined the club.
