We most likely will have a large crowd & that is the reason for the 200 bird days. We expect our guests to help us comply with the covid-19 restrictions. These include: 6' social distancing (inside & out), using face masks if they wish, minimal use of the clubhouse as we limit it to 50% capacity, suggested hygiene practices, etc. We will have food available, but you will be served on the west end Tranter Terrace rather than inside. You may also see that classification & squadding could be done in front of the clubhouse, rather than inside. Social distancing should also be in play at our scorers chairs. The scorers can read your final tally as they do your post scores.

### **TIME PERMITTING, SATURDAY ONLY:**

**You may shoot marathon targets **AFTER** the regular program has ended.**

**Cost for marathon targets is \$22.50 per 100 targets. Singles, Handicap or Doubles.**

**Attention:** The score and payout sheets will be posted on the windows to view from the outside.  
Do not congregate inside the clubhouse. Please only enter if you need to be in there.  
There will be limited seating for lunch. Bring your chair so you have a place to sit outside!

**Note:** This program may be altered at shoot manager's discretion or if severe weather conditions exist.  
Once an event has started, only bird monies will be refunded upon request.  
Food will be available in the clubhouse.
